User Account

Sign up page

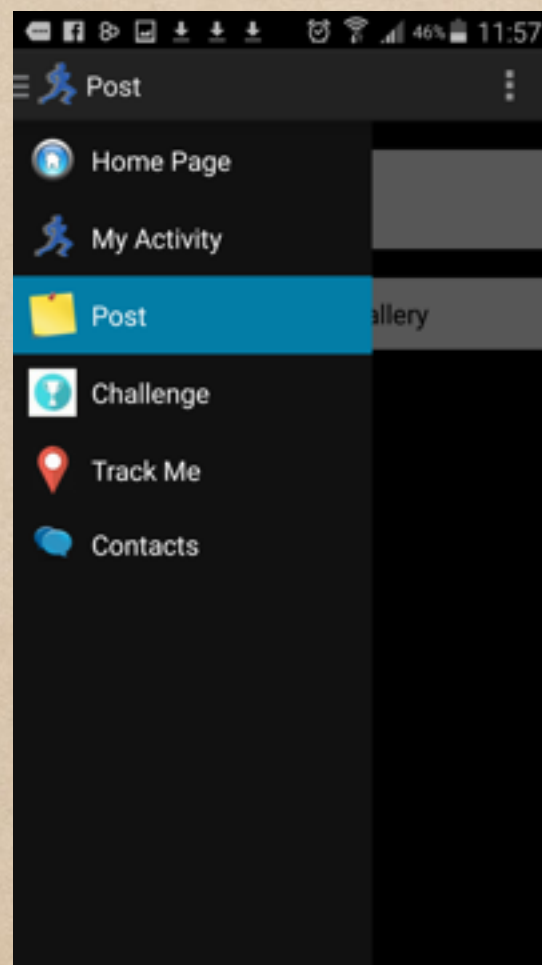

A screenshot of a mobile application's sign-up page. The app is titled 'GoFit' in the top navigation bar. The page features a large image of a brown and white dog. Below the image, there are two text input fields: the first is labeled 'UserName' and the second contains the text '44993456'. At the bottom of the screen is a blue, pill-shaped button with the text 'Login'.

Home Page

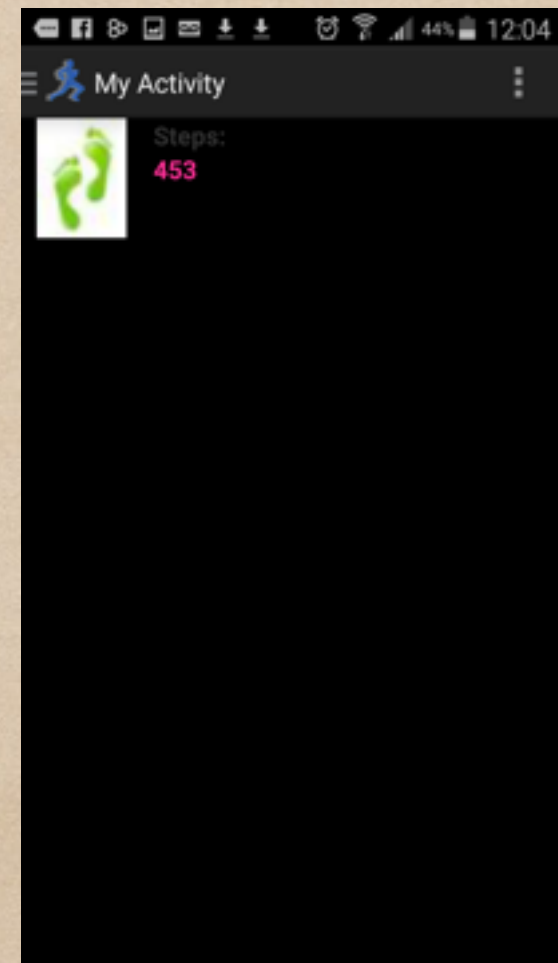

A screenshot of the mobile application's home page. The top navigation bar is labeled 'Home Page'. Below the bar, there is a small profile picture of the same dog, followed by the text 'UserName' and '44993456'. At the bottom of the screen is a grey, pill-shaped button with the text 'service starting'.

Navigation Bar

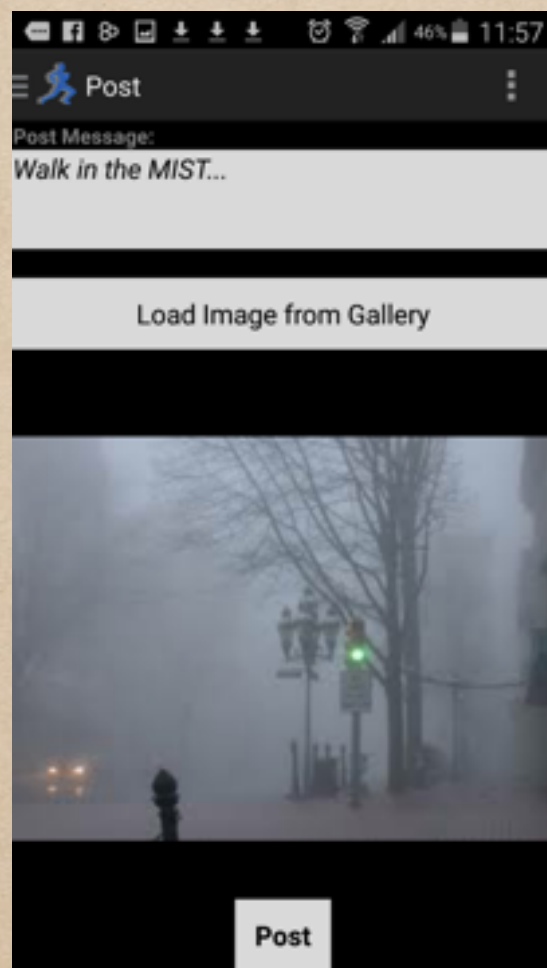

Step Activity

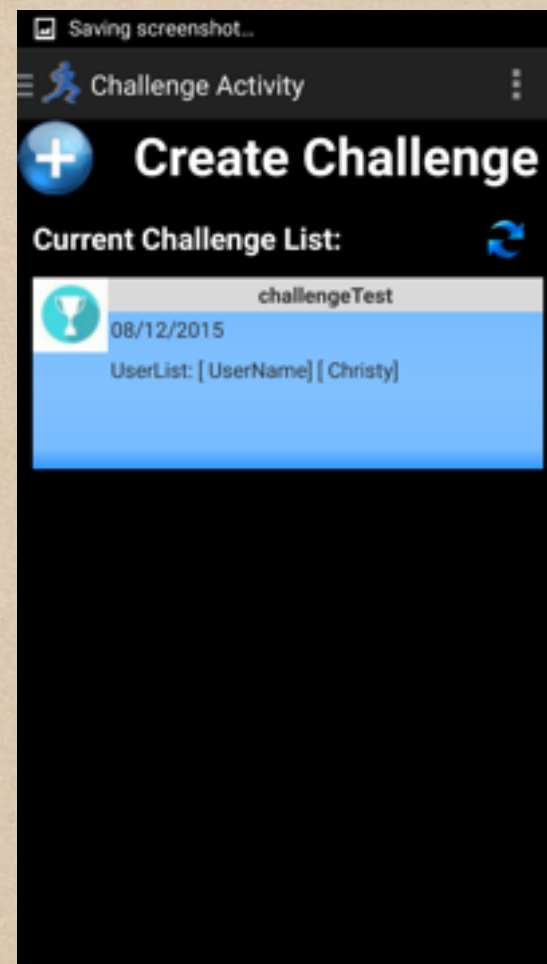

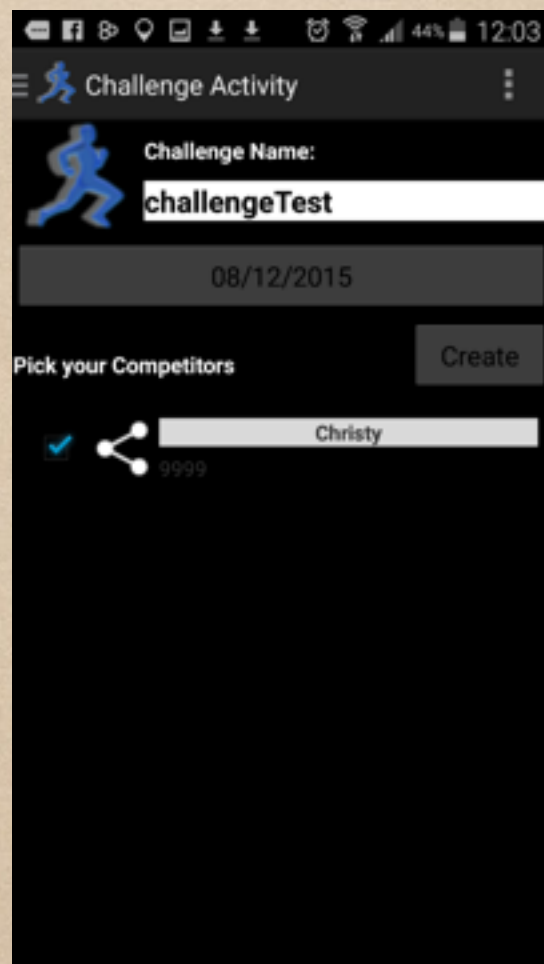

As the User initiate his activity, number of steps are calibrated in My Activity page.

Conclusion

The screenshot displays the NetBeans IDE 8.0.2 interface. The left sidebar shows the 'Projects' and 'Files' view with a tree structure of tables and indexes. The main editor window shows a SQL query: `select * from cs551_team_project.'user';`. Below the query editor, the results are displayed in a table with 5 rows and 6 columns: `#`, `user_id`, `user_name`, `phone_number`, `image_file_url`, and `image_file_name`. The output window at the bottom shows the execution status: 'Executed successfully in 0.001 s.' and 'Execution finished after 0.001 s, 0 error(s) occurred.'
